IGNITE OUR MINDS: 2023 ASGNA Fall Conference took place at City of Hope in Goodyear Arizona. We networked and learned about new treatments and procedures in endoscopy. Join us in 2024!

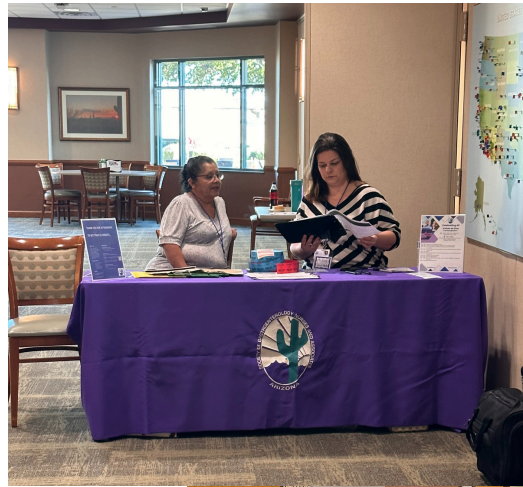

A note from the President:

Hello! I am Angela Cordova BSN, RN and I am your ASGNA President for 2024. I have been a nurse for 13 years with the last 7 specializing in endoscopy. I can truly say that Endo is my passion. I have been happy to serve on the ASGNA Board of Directors since 2020.

I am very excited about 2024 and bringing even more GI professionals together. The focus of ASGNA is to create learning and collaborating opportunities for all GI professionals. We offer multiple events of which many are free. Myself and the Board of Directors are here for your service, please feel free to reach out to me if you have any questions.

Sincerely,

Angela Cordova
