### A note from the President:

Hello! I am Angela Cordova, BSN RN. I am so proud to have served as the 2024 President of The Association of Gastrointestinal Nurses and Associates. As we wrap up this year and move on to 2025, I will be passing the leadership role to our current President-Elect, Yashika Young, BSN RN.

Reflecting on this past year, I can say that I have learned a lot. I am happy that we were able to network more and broaden our reach in providing educational opportunities for many GI professionals around Arizona.

I am very excited about 2025 and continuing to grow the ASGNA. Constant learning is essential to our field. We will continue to offer many educational events of which most are free. The Board of Directors and I are here for your service, please feel free to reach out to me if you have any questions.

Sincerely,

Angela Cordova, BSN RN  
President
